

It's Fun to Phone

Once upon a time there were two people
who were sad and lonely and wishing they could hear
a cheery word. And then a wonderful device
that could send voices over wires brought
them together, like a fairy wand, and they
lived happily ever after.

And the idea grew and grew and now there are
millions of people every day—and of
every age—who find happiness and good times
through the telephone's help
in bringing lives and hearts together.
