

STEPPING POLES
B-TYPE CROSS-CONNECTING TERMINALS
AND 29-TYPE CABINETS

1. GENERAL

1.001 This addendum supplements Section 621-210-900PT.

1.002 It is issued to correct stepping requirements on joint-use poles.

2. STEPPING ARRANGEMENTS

The following changes apply to Part 2 of the section:

- (a) 2.06 — revised
- (b) Figs. 1, 2, 3 and 4 — Note 2 revised

2.06 The step above the upper cable messenger shall be omitted on non-jointly-used poles and on jointly-used poles where double guard arms are installed.

FIGS. 1 AND 2 — NOTE 2

Omit step D on non-jointly-used poles and on jointly-used poles where double guard arms are installed.

FIGS. 3 AND 4 — NOTE 2

Omit step A on non-jointly-used poles and on jointly-used poles where double guard arms are installed.
