

COIN TELEPHONE STATIONS
BACKBOARDS

1. GENERAL

1.001 This Addendum supplements Section 506-100-101.

1.002 This Addendum is issued to change the quantity of fasteners (Table A - Fasteners Used in Mounting Backboards) used when installing 174A and 178A backboards on masonry (concrete, brick). This will allow for the use of Security Bolts as outlined in Section 506-101-903SW.
