

STEPPING POLES
(For California only)

1. GENERAL

1.001 This addendum supplements Section 621-210-011PT, Issue B.

1.002 It is issued to provide instructions for locating pole steps on poles adjacent to fences, walls, platforms and other structures.

3. LOCATING POLE STEPS

The following change applies to Part 3 of the section.

(a) 3.06 — Added

3.06 When poles which require steps are located near structures that will allow access by children and other unauthorized persons, the 7 feet 6 inches referred to in 3.01 shall be measured from the top of the structure. When detachable pole steps are required (see 6.01), place additional B Pole Step Mountings as needed.
