CONNECTIONS

1. GENERAL

(a) Note 3--added

1.001 This addendum supplements Section 502-710-433, Issue 5.

1.002 This addendum is issued to add note 3 to Table B.

Note 3: When connecting the D5AK mounting cord leads for tip party identifying ground, use D-161488 connectors and M1W straps as required to extend conductor leads.

2. CONNECTION INDEX

The following change applies to Part 2 of this section.
