## FOR YOUR INFORMATION

**ORDERS** - To ensure prompt handling, please include the name and description of each item and the catalog number. Give billing name and address and destination to which equipment is to be shipped. When requesting information, please use a separate sheet from orders. Telephoned or telegraphed orders should be confirmed as soon as possible by written orders marked "CONFIRMING."

**PRICES** - Prices are subject to change without notice. Orders will be billed at the prices in effect at time of shipment. Prices shown do not include shipping charges, or any sales, excise, use, or similar taxes which will be shown as additional charges on invoices where applicable. Prices include domestic packing. Minimum order is \$10.00.

**TERMS** - Net 30 days from invoice date.

**WARRANTY** - Our telephone equipment, when properly installed and operated is fully guaranteed. In the event of any defects in material and workmanship within a period of one year from date of shipment, we shall repair or replace such equipment.

**SHIPMENTS** - Shipments are made in accordance with instructions on your order. Specify freight, express, truck, or parcel post and give preferred routing, otherwise, we will use our judgement. Unless otherwise agreed upon, all goods are sold f.o.b. our plant at Rochester, N.Y. or Charlottesville, Va., or f.o.b. our Branch Office. Transportation charges will be collected from you by the carrier.

**CLAIMS AGAINST TRANSPORTATION COMPANIES** - Carrier should be notified promptly when evidence of damage is discovered so that an inspection can be made; concealed damage must be reported to the carrier within 15 days of the delivery date. Wherever a shortage occurs at the time of delivery, a notation should be made on the freight bill by the carrier. Claims should be presented to the carrier as quickly as possible; we will gladly assist in preparing these claims.

**RETURN SHIPMENTS** - In the event that it is necessary to return material to the factory, please write to the Branch Office serving you for "Return Authorization." This will enable us to identify and provide the most efficient handling of the returned material and to make proper adjustment without delay.

REPAIR POLICY - To ensure prompt handling, please follow instructions carefully. With all material being returned, enclose the "Return Authorization" which will be furnished upon request to the Stromberg-Carlson Branch Office serving you. At the same time we will designate the factory (Rochester, N.Y. or Charlottesville, Va.) to which shipment must be made. The equipment must be packed carefully and shipped to the designated factory, transportation charges prepaid.

It is a general practice to dismantle the equipment and to repair or replace badly worn or damaged parts. Replaced parts are destroyed and not returned. During repair of telephones, soiled and worn cords are replaced; molded parts such as receiver and transmitter caps are cleaned and polished or replaced if damaged or broken.

Repaired equipment is carefully tested for the same operating values and must pass the same rigid inspection as new equipment. Repaired equipment is returned to you with transportation charges collect.

When non-repairable goods are received at the factory, a proposal for new equipment will be made by our Sales Department.

Dials - Series A, B, and C dials will be replaced with new Series D dials at \$5.15 each.

Series D dials will be replaced with new Series D dials at \$4.25 each.

Generators - Parts are no longer available for generators older than No. 64 Type.

Ringers - Replaced with rebuilt ringers at 75 percent of current price of new ringer of same type at time of replacement.

Timer or Clock Calendar Assemblies - Replaced on an exchange basis of \$15.00 each.

Interrupter Motors - Replaced with rebuilt motors at 75 percent of current price of new motor at time of replacement.

Toll Ticketing Recorder Tapes - Replaced at fixed price of \$5.00 for Short-Play Recorder and \$7.05 for Long-Play Recorder when worn tapes are returned in their associated magazine; otherwise, an additional charge is made for new magazine.

Telephones, Mine Type - Repair has been discontinued.

XY® Universal Switches - Repaired at fixed price based on manufacturing date, as follows:

|               |              |                |              |
