PBX Switchboard

**designed to
keep pace with
the speed and
flexibility of
your dial
communications
system**

556

BELL SYSTEM PBX SWITCHBOARD

The 556 switchboard gives your business all these advantages:

FAST, SEMI-AUTOMATIC OPERATION

- ☐ Your telephone attendant completes calls quickly and easily with angle-mounted cords and keys.
- ☐ Pushbuttons and positive visual control signals assure fast, accurate communications.

EXPANDABLE—VERSATILE

- ☐ Expandable to match the capacity of your dial communication system.
- ☐ Works with all kinds of trunks, tie lines and auxiliary PBX equipment.

MODERN—CONVENIENT

- ☐ Attractive, low-silhouette design.
- ☐ Can be custom finished to blend with your decor.
- ☐ Can be readily installed as an integral part of your reception area.
- ☐ Compact cord and key shelf add comfort and operating convenience.

MORE THAN PAYS ITS WAY

- ☐ Your attendant handles more traffic in less time.
- ☐ Simplified controls assure efficient call handling and better customer relations.
- ☐ Prompt, reliable maintenance at no extra cost.
- ☐ Readily expanded or altered without costly delays.
- ☐ No capital investment.

The 556 Switchboard ... gives you faster communications for the efficient operation of all your business functions—Administration, Purchasing, Production, Distribution.
