

for the  
office and  
reception room

*Ericofon*

is the  
perfect phone

## Charm

The ERICOFON's outstanding design gives it a personality of its own—a personality gracious yet gay, subtle and serene, enhancing the charm of any room, any setting! The strikingly modern design makes the ERICOFON a decorator piece that can be used effectively to carry out mood and feeling in furnishings and color!

## Beauty

The beauty of form that is exclusive with the ERICOFON is brought to complete fruition by the exciting ERICOFON colors which harmonize with or complement every color scheme. The ERICOFON is available in Red, Ivory, Green, Blue, Light Gray or Dark Gray—a color to brighten every room!

## Convenience

For all its charm and beauty, it is the convenience of the ERICOFON that makes it the ultimate in telephone design! Use it in bed—the dial comes to you! No twisting, turning, or straining to phone from bed! The ERICOFON can be held in any position, with the dial at the right distance and angle, most convenient for each user.

As natural as saying "Hello"—the ERICOFON brings a fresh look to every room in the home! This exciting telephone of tomorrow—the ERICOFON—can be yours today.

The ultimate in telephone design in six enchanting colors to harmonize with every color scheme, every decorating motif!
