

SUBSCRIBER SETS

694 TYPE

1. GENERAL

1.01 This section provides identification and assembly of parts information for the 694A and 694B subscriber sets.

1.02 This section is reissued to revise Fig. 5. Issue 1 of this practice had a limited distribution.

1.03 The 694-type subscriber set provides hand-free listening and talking at each station of the 2A intercommunicating system.

2. IDENTIFICATION

2.01 Major components of the 694-type set are:

- Transmitter unit.
- Loudspeaker unit.
- Volume control.
- ON-OFF switch (B type only).
- Two-piece terminal board.
- Printed wiring board.
- Transistor amplifier.

2.02 These components and a metal grill are mounted on a metal base and are covered with a plastic housing.
