NOTICE OF DISCLAIMER

This document is issued by Bell Communications Research, Inc. (Bellcore) to inform its clients of Bellcore's Practice on COMMON LANGUAGE[®] Manufacturer/Supplier/Related Service Company Codes. Neither this document nor any of its contents should be disclosed to persons other than employees of those companies.

Bellcore reserves the right to revise this document for any reason, including but not limited to, conformity with standards promulgated by various agencies, utilization of advances in the state of the technical arts, or the reflection of changes in the design of any equipment, techniques, or procedures described or referred to herein.

BELLCORE MAKES NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE SUFFICIENCY, ACCURACY, OR UTILITY OF ANY INFORMATION OR OPINION CONTAINED HEREIN. BELLCORE EXPRESSLY ADVISES THAT ANY USE OF OR RELIANCE UPON SAID INFORMATION OR OPINION IS AT THE RISK OF THE USER, AND THAT BELLCORE SHALL NOT BE LIABLE FOR ANY DAMAGE OR INJURY INCURRED BY ANY PERSON ARISING OUT OF THE SUFFICIENCY, ACCURACY, OR UTILITY OF ANY INFORMATION OR OPINION CONTAINED HEREIN.

This document does not represent any commitment by Bellcore or by any of its clients to purchase any product using the Manufacturer/Supplier/Related Service Company Codes described herein.

Each Bellcore Client Company may have requirements or specifications different from those described herein.

Nothing contained herein shall be construed as conferring by implication, estoppel or otherwise, any license or right under any patent, whether or not the use of any information herein necessarily employs an invention of any existing or later issued patent.

Bellcore does not recommend products, and nothing contained herein is intended as a recommendation of any product to anyone.

LICENSED MATERIAL - PROPERTY OF BELLCORE

1. PURPOSE

This Practice describes the COMMON LANGUAGE standard codes for the representation of companies that manufacture equipment, or provide supplies and/or services for Bellcore customers.

2. SCOPE

This Practice is applicable to circuit administration, provisioning, design, engineering, and other personnel having responsibility for designing, planning, and/or servicing telephone equipment.

3. REASON FOR ISSUE

This Practice is re-issued to update the code set entries to incorporate changes since the last issue.

4. GENERAL

Questions concerning these codes should be directed through the reader's COMMON LANGUAGE Coordinator to the Language Standards Department, Bellcore, General Codes Chairperson.

The Bellcore Language Standards Department provides the technical expertise for maintaining the General Code Sets. The General Codes Technical Advisory Group provides input in accordance with procedures outlined in BR 751-000-102, *COMMON LANGUAGE® Code Set Request Procedures*.

Updates to the tables are issued bi-monthly by the Language Standards Department, Bellcore, to persons designated by the COMMON LANGUAGE Coordinator.

Copies of the tables may be obtained from the local Document Coordinator or through the COMMON LANGUAGE on-line system. Files may be downloaded to a PC floppy disk by following the instructions in the *COMMON LANGUAGE® CLONES Reference Guide*, BT-STS-000066.

5. MANUFACTURER/SUPPLIER/RELATED SERVICE COMPANY CODES

Bellcore assigns these codes as the maintenance agent for ANSI T1.220.

The Manufacturer/Supplier/Related Service Company Codes for telephone equipment are four-character, alphabetic codes. These codes are listed alphabetically in Table A by company name, and in Table B by code. Both tables include the headquarters location of each company.
