

## Caller ID\*

Know who's calling you before you answer with Caller ID, a new feature available throughout most of the Bell Atlantic Mobile Network for just \$2.99 monthly access. The number of the person calling you will appear on your specially equipped cellular phone each time an unblocked call is received. Unanswered numbers are stored so you can easily return calls by selecting the number and pressing **(SEND)**.

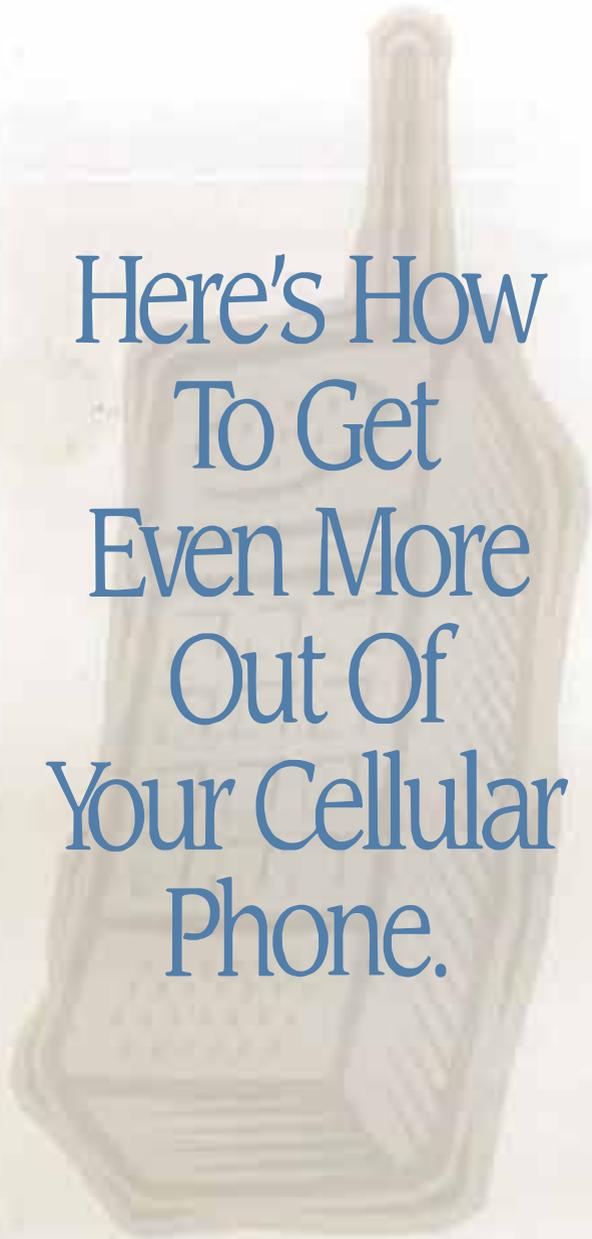

You may block transmission of your cellular number—for either individual or all outbound calls—free of charge. Per-Call Blocking and Per-Line Blocking may not be available in all areas or when roaming. Per-Call Blocking is not available with Bell Atlantic Mobile TalkDial® Service.

## Cellular Long Distance

You can now get cellular long distance service at low, competitive rates from Bell Atlantic Mobile. You'll enjoy one convenient bill which lists your cellular airtime *and* cellular long distance calls as well as one convenient number for sales and customer service 24 hours a day, 7 days a week. Just call 1-800-922-0204 with your mobile account number ready and we'll sign you up.

\* Caller ID may not be available outside your home service area; and may not be compatible with all Enhanced Services. Consult your sales representative for details.

# Here's How To Get Even More Out Of Your Cellular Phone.

## Special Features That Can Make You Even More Productive.

Voice Mail. Caller ID. Cellular Directory Assistance.

Many of the same convenient features you enjoy on your home or business phone are also available on your cellular phone. And we're constantly developing new features to help you stay in touch.

Here's a brief listing of the features we offer in your area. For complete information or if you have any questions, ask your sales representative or call Customer Service toll free at 1-800-922-0204, 24 hours a day, 7 days a week.

## InfoAssist

Bell Atlantic Mobile InfoAssist® enhanced cellular directory assistance service gives you directory assistance and much more. Just press 411 then **(SEND)** on your cellular phone and a live InfoAssist operator will guide you through directory listings, category searches, movie listings, local event information and much more for just 75¢ per call, plus applicable airtime and toll charges. You'll even be automatically connected to the requested number at no additional charge! Contact your sales representative for availability in your area.

## \*JAM

The next time you're stuck in traffic in the greater Philadelphia area, just press \*JAM<sup>SM</sup> (\*526). You'll talk with a Metro Traffic Consultant who'll give you an instant run-down on the best routing around traffic. \*JAM is also the number to call when you're not quite sure where you are or where you're going. Airtime and toll charges may apply. There's no additional monthly access fee.

\*JAM is a service mark of Metro Traffic Control, Inc.

## TalkDial

Now, when you want to dial your cellular phone, all you have to do is say the word. Available for only \$2.99 monthly access, Bell Atlantic Mobile TalkDial® voice activated dialing service allows you to keep doing what you're doing while TalkDial automatically connects you to the people and places that are important to you.

Simply say one of the names or places you've programmed into your personal directory and TalkDial service automatically dials the number for you! If you want to reach someone who isn't in your personal directory, simply say their phone number—TalkDial service then places the call. The Per-Call Blocking feature of Caller ID is not available with TalkDial service. Ask a Sales Representative for details.

## Paging

Bell Atlantic Mobile also provides you with local, regional and nationwide paging service, and a variety of paging equipment. You can count on fast and reliable service at our network of Communications Stores. And you'll have the same Customer Support group for both your cellular phone and pager.

## Voice Mail\*

Bell Atlantic Mobile Voice Mail service provides assurance against missed calls. For only \$5.95 monthly access, you can retrieve your messages from any phone and store up to 40 messages up to 5 minutes in length each. Your personal password keeps your messages private and secure. So you never have to worry about missing a call because Voice Mail will answer it for you.

## Enhanced Voice Mail Service\*

Bell Atlantic Mobile Enhanced Voice Mail service adds value to both your cellular phone and pager. It enables you to be paged when a message is left in your voice mailbox. It also allows you the flexibility of choosing when and how often you want to be paged, as well as for which types of calls – all for only \$7.95 monthly access.

## Auto Help Line†

Auto Help Line provides emergency road service, towing, and lock-out service anywhere in the Continental U.S. and Hawaii, 24 hours a day, 7 days a week. Membership is \$2.99 a month.  
†Auto Help Line is provided by Auto Help Line of America.

## AirBridge

Bell Atlantic Mobile AirBridge® service lets your computers talk to each other by cellular phone. For example, via a reliable, affordable wireless link, AirBridge lets you send and receive faxes, e-mail messages, memos, credit reports and stock quotes.

## IQ Services

Bell Atlantic Mobile IQ® family of services offer you even more convenience with your cellular phone. Note: Call Waiting and Three-Way Calling can be utilized while roaming in other Bell Atlantic Mobile markets. Call Forwarding and No Answer/Busy Transfer can only be used in your home rate area.

**CALL WAITING\*** allows you to answer a second call while you're using your phone. A one-second tone alerts you that another call is coming in.

- Press the **(SEND)** key to answer an incoming call.
- Press the **(SEND)** key to alternate between callers.

- To end 1st or 2nd call, have that party hang up.
- Note: When a second call comes in and you answer it, you will be charged airtime for two calls until you end one conversation.

**CALL FORWARDING\*** enables you to automatically transfer calls to another number.

- Dial \*72 and your destination number (including area code, if necessary). Press **(SEND)** and wait for confirmation tone.
- To deactivate Call Forwarding, dial \*73, press **(SEND)** and wait for confirmation tone.
- While Call Forwarding is activated, you can still make calls from your cellular phone, but you cannot receive them.

**NO ANSWER/BUSY TRANSFER\*** forwards calls when your phone is busy, turned off, or if you just choose not to answer. You can still make outgoing calls and receive incoming calls.

- Dial \*71 and the destination number (including area code, if necessary). Press **(SEND)** and wait for confirmation tone.
- To deactivate, dial \*73, press **(SEND)** and wait for confirmation tone.

\* Airtime charges will be incurred when using this feature. Long distance charges may also apply if the destination number is not within your local calling area. Landline charges will apply if the call is forwarded to a local landline number or a non-Bell Atlantic Mobile cellular number

**THREE-WAY CALLING\*** enables you to talk to two parties at the same time. You can create a conference call by adding another party to an existing conversation.

- Press **(CLEAR)** and then dial the 3rd party's number (use area code, if necessary).
- Press **(SEND)** to put 2nd party on hold; when 3rd party answers, press **(SEND)** to connect all three parties.
- To release 2nd party, have that party hang up.
- To disconnect the 3rd party, have that party hang up. All cellular parties must wait 15 seconds before placing another call.
- Note: When the new party is added, you will be charged airtime for two calls until you end one conversation.
