

Bell System  
**the CALLdirector**<sup>®</sup>

the versatile,  
compact telephone  
that makes  
your pushbutton  
communications system  
more efficient

Bell System

the **CALL**director®

provides the capacity of several ordinary pushbutton phones in one compact, attractive unit

☐ **GIVES THE OUTSIDE AND INSIDE LINES YOU NEED**

- Handles up to 29 lines—available in 18- and 30-button models.
- You get the right combination of telephone lines for your needs — central office, PBX, full-period talk, intercom.
- This combination can be changed as your needs change.

☐ **WITH THESE OPTIONAL FEATURES**

- Models with built-in Speakerphone give you “hands-free” telephoning when you wish.
- Plug-in headset models are available for “hands-free” clerical operation.
- Conference feature lets you set up an intercom conference just by dialing a code or pushing a button — cuts need for away-from-desk conferences.

- Pushbutton signalling feature lets you connect with any associates on intercom without dialing.
- Add-on feature lets you add other stations to an outside call — gets calls concluded faster and more efficiently, minimizes possibility of error, cuts need for “call-backs.”

☐ **AND YOU GET THESE VALUABLE “PLUS” FEATURES**

- Hold feature lets you hold calls without disconnecting, handle several calls at once.
- Illuminated pushbuttons show the status of all lines at all times — whether “busy,” “held,” or “ringing.”
- Plug-in connectors provide for fast installation and rearrangement.
- Modern design—complements any office decor.
- Ringing volume is adjustable—simply and easily.

CALL DIRECTOR telephone permits one person to "cover" all telephones whenever necessary. Shown is 30-button model.

SPEAKERPHONE MODEL lets you take notes, look up records or relax while you talk. Groups in your office can join in telephone conversations.

PLUG-IN HEADSET MODEL lets workers telephone "hands-free" while they take notes, consult records. Helps increase output, reduce errors.

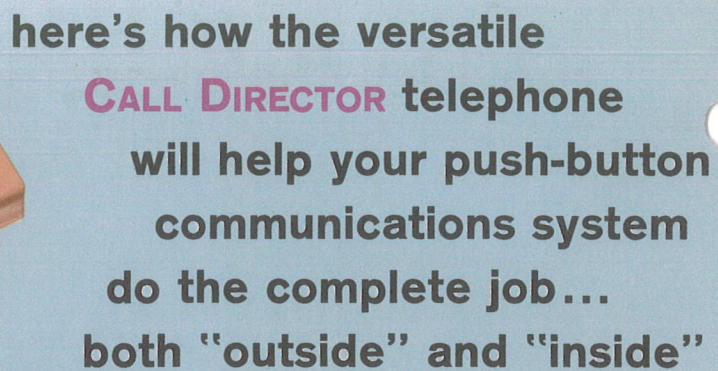

**ideal for:**

**alternate-point  
answering,  
executive,  
secretarial  
and clerical use**
