OSHKOSH TOOLS—QUANTITY DEFINITION, FREIGHT ALLOWANCES AND ZONES

"Standard Quantity" prices apply only when two (2) or more "Standard Quantities" of tools are purchased on one order, for one shipment, to one destination.

"Standard Quantity" consists of six (6) tools of one kind and size.

"Standard Quantities" of any kinds of tools may be assorted to obtain "Standard Quantity" prices.

All shipments are F.O.B. Oshkosh, Wisconsin; freight allowed to destination, when a shipment weighs 100 lbs. or more. When purchaser orders less than 100 lbs. or specifies that shipment is to move other than the cheapest way; for example, by express, thereby incurring additional transportation charges, such additional transportation charges are to be borne by the purchaser.
